WRONGDOING WITHIN STATE GOVERNMENT**

(MONTGOMERY) – Attorney General Luther Strange issued the following statement.

“In light of the accusations of potential wrongdoing that have been made over the last two days, and the numerous inquiries that my office has received, I would like to assure the public that the Attorney General’s Office takes very seriously any allegations involving potential criminal misconduct. My office has a strong record of probing illegal activity in this state and we will continue to do our job.

“That said, pursuant to our longstanding policy regarding pending criminal investigations, I will have no further comment at this time.”
