AG STRANGE REVIEWS COMPLAINTS OF VIOLATIONS OF ALABAMA GUN LAWS AT CENTER POINT CITY HALL, IRONDALE CITY HALL AND LIBRARY

(MONTGOMERY) - Attorney General Luther Strange today released public statements about formal complaints received by his office concerning possible unlawful prohibitions of firearms by the Center Point City Hall and the Irondale City Hall and Public Library. After reviewing and investigating each complaint, where appropriate, the Attorney General's Office worked with the public entity to achieve compliance with state law.

The results of the Attorney General's investigations are summarized below, along with links to his determinations.

City of Center Point

The Attorney General's Office reviewed a complaint that the City of Center Point failed to comply with Alabama law because it prohibited firearms at the Center Point City Hall. After the Attorney General communicated with the City, the signs prohibiting firearms were removed. Because the signs are removed, the Attorney General has determined that no further action is required.

City of Irondale

The Attorney General's Office reviewed a complaint that the City of Irondale failed to comply with Alabama law because it prohibited firearms at the Irondale City Hall and Public Library. After the Attorney General communicated with the City, the signs prohibiting firearms were removed from the Irondale Public Library. It was determined that, because the Irondale City Hall also houses a jail, it meets the requirements under Ala. Code § 13A-11-61.2(b) to prohibit the possession of firearms. The Attorney General has determined that no further action is required.
